

CSD Elementary Math Endorsement

Endorsement Courses

All endorsement courses will be offered after school from 4:00 PM - 8:00 PM at designated elementary schools. Courses will last approximately 11 weeks. Three courses will be offered each school year. Each course is 3 credit hours for a total of 18 credit hours for the endorsement.

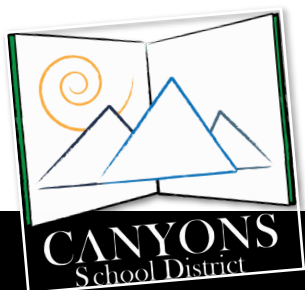

- EDUC 5455-Mathematics for elementary Teachers K-8: Numbers and Operations
- EDUC 5505-Mathematics for elementary Teachers K-8: Rational Numbers and Proportional Reasoning
- EDUC 5515-Mathematics for elementary Teachers K-8: Algebraic Reasoning
- EDUC 5525-Mathematics for elementary Teachers K-8: Geometry and Measurement
- EDUC 5535-Mathematics for elementary Teachers K-8: Data Analysis and Problem Solving
- EDUC 5555-Mathematics for elementary Teachers K-8: Assessment and Intervention

Endorsement Costs

TUITION: Educators will be responsible for paying a \$15 per credit recording fee to Southern Utah University for every credit earned. The endorsement program is 18 credit hours for a total cost of \$270.

TEXTBOOKS: Educators will be required to purchase 2 of the required 4 course textbooks. Total cost for textbooks will be approximately \$150. These textbooks will be used for all six courses.

- *Helping Children Learn Mathematics*, National Academy Press. (www.nap.edu)
- *Elementary & Middle School Mathematics: Teaching Developmentally*, 6th or 7th edition, VanDeWall. (www.amazon.com or www.barnesandnoble.com)

*The district will be purchasing all other textbooks required for the endorsement courses.
